Paper No 2.

Govt in para 7 of Proc No 1978-87/47 dy 8th June 89, observed that the Exclusive area then recommended to be reserved was capable of Considerable reduction so far as the Toddy Revenue was concerned and accordingly requested the Dy Comr to make a Careful Enquiry and report the minimum Extent required to be reserved in Each Taluk of his Distt, Excluding therefrom

all topes from which toddy might then be drawn for the manufacture of Jaggory.

2/. The Excise Comr. has submitted the lists received from the Dy Comr. Vide no 2137 Dy 10-10-92 98 paper no 4.

3/. The Govt. then observed that the lists were not prepared as per instructions in para 7 of the Proc. of 8th June 89, and requested a revision of the lists for the reasons therein given.

4. The Excise Comr. has now submitted the revised lists for approval & publication. Vide paper no 5.

Prohibiting the grant of land for cultivation when situated in the midst of date groves.

Docket from Deputy Commissioner, Mysore, No. 297, dated 7th September 1882.

No. 2827-35—57, DATED 21ST AUGUST 1883.

ORDER.—The proceedings received with the docket above read are returned with the remark that the Dewan approves of the action taken by the Deputy Commissioner for the resumption of the land in question. No land whether containing date trees or not should be given out for cultivation if it is situated in the midst of date groves, as such a measure is found invariably to lead to the gradual destruction of the date grove by means of unauthorized felling in view to future encroachment.

..EAD THE FOLLOWING PAPERS :—

From the Chief Secretary to the Dewan of Mysore, To the Superintendent, Mysore Revenue Survey, No. 3258—58, dated 22nd July 1886.

It having been brought to the notice of the Dewan that lands containing date trees are indiscriminately granted for cultivation in the Mysore District, especially in Taluks to which the Survey Settlement has not been extended, I am directed to request that in Taluks still remaining to be settled you will be so good as to take steps for the proper demarcation of toddy topes from which toddy is at present drawn, and of which a list will be furnished to you by Messrs. Davy, Muddappa and Co., Toddy Contractors of the Mysore District. The demarcation now ordered is intended to prevent the growth of occupancy rights in these topes from which a large revenue is derived by Government, and it is desirable I am to add to carry it out in the manner laid down for Amrut Mahal Kavals.

In regard to toddy topes in the settled Taluks of Heggaddevankote, Yedatore and Hunsur, a separate communication will be made on completion of the enquiries which are now being made in regard to them.

No. 3856-64—144, dated 7th August 1886.

ORDER.—With reference to the orders noted in the margin, prohibiting the grant of lands containing date trees for cultivation, the Dewan observes that the restriction as it now stands is too general, and he is of opinion that it should be confined to topes actually required for the purpose of the toddy contract. The Deputy Commissioners of Districts are accordingly requested, in consultation with the Toddy Contractors or their agents, to cause a statement to be prepared in the accompanying form showing the situation, numbers, extent and assessment of all lands from which toddy is at present drawn, whether such lands be in the possession of raiyats or Government. The statement should be prepared for each taluk separately with the assistance of the Toddy Amins and sub-contractors and the village officials, and when completed, should be submitted to this office for record. On receipt of such lists, orders will issue restricting the operation of the existing orders to lands included in them. The necessary instructions should be at once issued to the Amildars concerned.

From,

The Excise Commissioner

To, The Chief Secretary to
the Govt of Mysore.

Sir,

(5)

In reply to your letter No: 17892/R. 2171 dated 26th April 1893, 1st May 1893, I have the honour to forward herewith, statements of date groves reserved for Toddy Revenue, received from the Deputy Commissioner, Chitaldroog Dist= =rict, together with copy of the marginally noted carres= =pondence relating thereto. It will be seen from the last letter No: 29/2, dated 4th July 1893, from the Deputy Com= =missioner that the lists have been carefully and completely prepared. I beg therefore that they may be ordered to be printed and published

1. Docket No: 1252/172, dated 21st June 1893, from the Deputy Com= =missioner Chitaldroog District.
2. Docket No: 6569/139, dated 26th June 1893, to ditto.
3. Letter No: 29/2, dated 4th July 1893, from ditto.

published for the guidance of all concerned.

2. The Government Order in Proceedings No: 1978-87/47, dated 8th June 1889, referred to by the Deputy Commissioner, was passed when the old Toddy System was in force; but under the new Toddy scheme more groves may be required. As, however, the right to date trees may always be reserved to Government under section 41 of the Land Revenue Code, at the time of the grant of the lands in which the trees exist, it would suffice for the present if the above lists were printed and published.

I have the honor to be,

Sir,

Your most obedient Servant

Has the honor to submit Talukwar statements in the form prescribed in Government Proceedings No. 1978-87/47, dated 8th June 1889.

2. In preparing these statements care

care has been taken to reserve such groves as are actually necessary for the requirements of Toddy Revenue in each Taluk, as directed in para 7 of the Government Proceedings quoted above.

3. A separate statement is also forwarded showing the particulars of date groves reserved for jaggery ovens in all the Taluks, except Davangere and Molkalmuru where no topes are available for the same.

Deputy Commissioner's office
Chitaldroog District
Dated 7th July 1893.

To

The Excise Commissioner
in Mysore
Bangalore

Sir,

Adverting to your office docket No. 6569/139 of the 26th Ultimo, calling for certain information regarding the date groves

groves of this District, I have the honor to state that the lists forwarded by this office, were originally prepared in accordance with directions contained in Government — Proceedings No. 3856-64/144, dated 7th August 1886, and were subsequently revised as per para 7 of the Dewan's Proceedings No. 1978-87-47, dated 8th June 1889. Owing, however, to certain defects in their preparation and revision, the Government called for more correct statements as per form A, attached to Proceedings No. 1998-87/47, dated 8th June 1889. (Vide your official memo no: 5-760/112, dated 2nd May 1893, forwarding copy of the Chief Secretary's letter No. 17892/R 2171, dated 26th April 1893). Hence the submission of carefully revised list with my no: 1252/172, dated 21st June last.

2. The original lists were objected to by the Government, not on the ground of the omission of any groves therefrom, but on the ground that the area shown therein was far in excess of the toddy requirements of the District and was consequently capable of very considerable reduction. (Vide para 7 of the Proceedings of 8th June 1889 quoted above). The lists submitted last month were

based

based upon the instructions thus issued by Government. They were prepared several years back, after the Amildars of the several Taluks of the District had satisfied themselves that there was no unnecessary exclusion therefrom, or inclusion therein. There were no Abkari Inspectors and Darogahs in those days. The question is whether any lands which could well be left out have needlessly been included in the lists. I am of opinion that this has not been done. It seems to me unnecessary to order a fresh inspection with a view to bringing in more lands on the lists. Such a course would, I venture to submit, run counter to the explicit orders of Government. This is a District abounding in toddy groves. Almost every unoccupied land applied for, is found to contain some date trees. As observed by Government, "it is undesirable that extention of cultivation should be prevented by the reservation of every Government land on which there may be date trees without reference to the fact whether such trees are really required for the purpose of the toddy revenue or not". The Government further observed thus "The

Government

Government are willing to make a very liberal allowance, but the reservations recommended by the Deputy Commissioner are far in excess of the highest possible demands of the toddy revenue". That being so, and my opinion being that the revised lists sent last month, do not require any augmentation, there seems to exist no necessity for directing that the lists should now be checked by the Toddy Inspectors, and that the Amildars and Darogah should satisfy themselves " that no survey numbers containing date groves, are omitted in the lists". I beg therefore to suggest that the lists and my report be submitted to Government as directed in the order of 8th June 1889, quoted above.

3. On final acceptance of the lists, steps will be taken to have the date groves therein mentioned, duly demarcated by officials of the Survey Department.

I have &c

The Chief Secretary to the
Dewan of Mysore

Sir,

In continuation of this office letter No. 184/16A, dated 10th July/893, I have the honor to forward herewith copy of docket No. 178, dated 24th instant, from the Deputy Commissioner Chitaldrug District, and to request that early orders may be passed on the lists of date groves submitted with my letter No. 184/16A, dated 10th July 1893, to enable the Deputy Commissioner to commence the demarcation of the blocks of date groves without further delay.

2. In anticipation of Government sanction

sanction to the reservation of the groves shown in the above lists the deputy Commissioner has been requested to commence the formation and demarcation of the blocks of groves, at once.

I have the honor to be,
Sir,
your most Obedient Servant
